## What is this type of Insurance?

If your car is classed as a total loss, Click4Gap will pay the difference, up to the claim limit, between the loss value and, subject to the policy type selected by you, the car value, purchase value or price we would pay for a replacement new vehicle matching the make, model and specification of your car at the start of the policy.

### What is insured?

#### Return To Invoice Gap Insurance (RTI)

- ✓ If your car is classed as a total loss, Click4Gap will pay the difference, up to the claim limit, between the loss value and purchase value

#### Vehicle Replacement Gap Insurance (VRI)

- ✓ If your car is classed as a total loss, Click4Gap will pay the difference, up to the claim limit, between the loss value and the price we would pay for a replacement brand new vehicle matching the make, model and specification of your car.

#### Return To Value Gap Insurance (RTV)

- ✓ If your car is classed as a total loss, Click4Gap will pay the difference, up to the claim limit, between the loss value and the value declared by you on the schedule or, if this is greater than the Glass's Guide value for a car of the same make, model specification level, age, book mileage and overall condition at the start of the policy, the Glass's Guide value.

#### Motor Insurance Excess Buster

- ✓ If you have made a valid claim under the cover provided by your Click4Gap policy, provided it is noted on the schedule and the additional premium has been paid, Click4Gap will pay the motor insurance excess up to a maximum of £500. This benefit applies from 90 days after the policy start date.

#### Total Loss

- ✓ Where it is unsafe to repair the vehicle, the cost of repair is greater than the pre-accident market value, or the vehicle has been stolen and not recovered, and a total loss payment has been made by the motor insurer.
